REPORT OF FULL TIME SELECTMAN

In 1973 a small minority wish to discontinue the Full Time Selectman's position by their petition in the Warrant. I feel it is proper to show why this position is an asset to the Town of Tilton.

In 1972 a near complete census was taken (about 98%). This extra population count netted the Town of Tilton through Rooms and Meals Tax an additional one thousand two hundred and sixty-eight dollars and seventy-six cents ($1,268.76) over 1971 revenue. The Gas Tax refund from the State brought in six hundred and thirty-five dollars and seventy-nine cents ($635.79) over 1971.

Under the Emergency Employment Act under which we employed a Police Clerk in September 1971, we were able to recover (in 1972) three thousand six hundred and thirty-eight dollars and twenty-five cents ($3,638.25) by the required bookkeeping records.

At the Town Meeting in March 1972, four thousand dollars ($4,000.00) was appropriated to pay for appraisal cost, of this amount only two thousand seven hundred and fifty dollars ($2,750.00) was used. This was a saving of twelve hundred and fifty dollars ($1,250.00). These totals of eight thousand two hundred and ninety-two dollars and eighty cents ($8,292.80) as against Cost to the Town of Tilton for Full Time Selectman's Salary and Expense of six thousand nine hundred and eighty dollars and sixty-three cents ($6,980.63) is a profit of one thousand three hundred and twelve dollars and seventeen cents ($1,312.17) to the Town of Tilton.

My vacation time of ten days was cut short to seven days in 1972 due to extra town work done at home and many calls from summer residents on Saturday and Sunday. I also had to go over records and get property information that could not be done during the regular work week.

In January of 1973 I worked two hundred and thirty hours on Town Report and my regular hours. Figuring a work week of forty hours for four weeks a total of one hundred and sixty hours, this means an extra of seventy hours for which I was not compensated. I also spent nineteen hours working with the Budget Committee at night (also not compensated for).

In 1972 building and remodeling increased considerably over 1971. The total includes two apartment houses, one animal hospital, one bank remodeling, five commercial buildings, five relocating mobile homes, three summer cottages, one barn, three private garages, one boat house, twenty-three existing buildings were remodeled, and fifteen new homes were built.

I inspected thirty-five new Septic Systems and eight replacements on old systems.

My salary has not increased in the last two years yet the Municipal tax rate went up slightly during this time.

In closing I with to say the citizens deserve this service of a Full Time Selectman. The small groups who do not wish to continue this service have undoubtedly never had to request the help of your town officials. With two of the Board of Selectmen out of town all day during the week on their regular jobs, it makes it all the more necessary for this immediate service.

I feel this is a personal thing concerning the Full Time Selectman Position. If these do-gooders do not like me they can vote me out of office but don't ever let them deprive you the citizens of Tilton of this service.

One closing thought, Tilton is the first in New Hampshire to employ a Full Time Selectman and this year other towns are considering doing the same.

Respectfully submitted,

DONALD B. JOSCELYN

1971 LAW ENFORCEMENT STUDY COMMITTEE

Assignment: At the Annual Town Meeting held at the Tilton-Northfield High School on Saturday, March 13th, 1971, it was voted under Article 30: "That the Deputy Moderator appoint a committee of seven (7) citizens of the Town of Tilton to inquire into the total operation of law enforcement in the Town of Tilton and the relationship of the Police Department to the Office of Selectmen and each other, and to report their findings no later than the next annual meeting."

Procedure: The Committee interviewed Tilton's three Selectmen, Donald Joscelyn, Normand Lemire and Walter Howard, ex-chief Kent Williams, present Chief Robert Blake, past selectmen and law enforcement officers of the Town, police chiefs and town officials of neighboring towns and concerned citizens. The results of the interviews, discussions and deliberations are reported in the following findings and recommendations. In many areas, this Study Committee concurs with the decisions of the 1963 Study Committee regarding the efficiency of law enforcement in the Town of Tilton and several of our recommendations are restatements of recommendations made back in 1963.

Finding: That there was a wide variance of opinion as to the overall operation of the Police Department, the duties of the Chief, and his relationship to the Board of Selectmen.

Recommendation: That it is imperative for the Police Chief to be given the authority to carry out the responsibilities of his department. Without mutual understanding of this, there is bound to be a breakdown in communications which will result in a similar situation such as the Town faced in the spring of 1971.

Finding: That the Selectmen of the Town of Tilton have the over-all responsibility of the Police Department.

Recommendation: That the Police Chief have authority to hire and discharge the men under him as stated in the Rules and Regulations of the Tilton Police Department of 1968.

Finding: That in hiring a Police Chief, the Board of Selectmen has not always followed the recommended procedure of the 1963 Study Committee.

Recommendation: If and when it becomes necessary to replace the Police Chief, that applicants for the position be screened by the State Personnel Department and the final selection be made by the Selectmen.

Finding: That the Rules and Regulations for the Tilton Police Department as approved by the Board of Selectmen on March 14, 1968, have never been formerly changed.

Recommendation: That the Rules and Regulations for the Tilton Police Department as approved by the Board of Selectmen on March 14, 1968, be strictly adhered to until such time as they are officially changed.

Finding: That the Police Chief of the Town of Tilton, although hired by the Selectmen, is not subject to discharge without a public hearing if he so desires.

Recommendation: That if problems in the Police Department do arise which are in need of attention from the Selectmen, that the Board of Selectmen of the Town of Tilton address the problem and take immediate remedial action.

Finding: That there was a breakdown of communication between the Police Department and the Board of Selectmen.

Recommendation: 1) That there must be a working together of the two Departments at all times for the good of the Town.

2) That the Board of Selectmen appoint one of their members to serve as liaison with the Police Chief to

keep the lines of communication open and that this person become knowledgeable in law enforcement procedures.

3) That a report of the Police Liaison member be published in the annual Town Report.

Finding: That opportunities for the members of the Tilton Police Force to get formal training have not always been encouraged.

Recommendation: 1) Due to the highly technical nature of law enforcement today, it is imperative that police officers be trained in law enforcement and citizens' rights.

2) It is recommended that formal training be offered as soon as possible after a man is hired for the Tilton Police force.

3) Time should be arranged for this training and expenses budgeted by the Town for the courses which are offered at St. Anselm's and through UNH with Federal funding available under the Law Enforcement Education Program.

4) The Committee feels that it is important to maintain the high caliber of law enforcement in the Town of Tilton for the protection of its citizens, visitors, and the Town itself.

Finding: That the second telephone in the Police Department has been removed as an economy measure by the Town.

Recommendation: That a second telephone be re-installed in the Police Department to be used for out going calls leaving the listed number open for emergency calls.

Finding: That an accounting of all receipts and expenditures has not always been kept by the Police Department.

Recommendation: That the Tilton Police Department exercise good accounting practices by recording all receipts and expenditures.

Finding: That the present Tilton Police cruiser is in questionable condition for performance of the duties of the Department and for the safety of the officers driving it.

Recommendation: That the Town of Tilton budget funds for purchase of a new properly equipped cruiser annually and that the older cruiser be kept and maintained as a stand-by.

Footnote: This Committee's assignment entailed inquiring into the total operation of law enforcement in the Town and the relationship of the Police Department to the Office of Selectmen. Pointing a finger at any individual or casting aspersions would serve no useful purpose. Our concern is that similar circumstances that led to the establishment of this Committee be avoided in the future. We feel that if the recommendations contained herein are carried out, the Town of Tilton stands to benefit from a working together of the two departments for the welfare of all citizens.

The Committee wishes to express to all the people with whom it spoke, appreciation for their fine cooperation.

TILTON TOWN PLANNING BOARD

During the past year the planning board has been busy reviewing many building permits and subdivision requests which is a sure sign that Tilton is growing. We have scrutinized those requests very carefully and have acted in a direction which we feel is in the best interests of the town.

This past year the main project of the board has been to get the comprehensive plan for the town underway. Considerable work has been done with the town maps which will soon be ready and will become part of the final plan. With considerable research and deliberation we have developed a process by which the plan will be realized at a considerable savings to the town. It will take longer to realize a completed plan however, we feel that it deserves time and consideration to develop the best possible plan for the town.

REPORT OF THE FOREST FIRE WARDEN AND DISTRICT CHIEF

In New Hampshire, forest fire control is a cooperative State-town program. The Town Forest Fire Warden, appointed by the Director, Division of Resources Development upon recommendation of the Selectmen and the State's District Forest Fire Chief is responsible for fire suppression and other related duties. The State shares equally with the town in the cost of most forest fires, except illegal and careless fires, which are charged to the responsible party. The State further provides fire detection services, prevention programs, fire training for town wardens and crews, and back up equipment for fire suppression.

By authority of the State, the Town Forest Fire Warden controls all outside burning in his town except backyard cooking fires. Any person wishing to kindle a fire when the ground is not covered with snow must obtain a fire permit, free of cost, from the Town Forest Fire Warden. No permits will be issued for fires between 9:00 A.M. and 5:00 P.M. unless it is raining, except for commercial purposes.

Please be careful when using fire, remember it can be an extremely useful tool when under control but once allowed to run wild it can become a disastrous and devastating force. Only you can prevent a forest fire.

Number of fires reported and acres burned — 1972 season:

State — 410 fires — 361 acres burned
District — 90 fires — 135½ acres
Town of Tilton — 5 fires — 3 acres
Town of Northfield — 7 fires — 5 acres

TILTON-NORTHFIELD RECREATION COUNCIL

1972 Annual Report

The end of '72 completes 17 years of organized activities provided by the citizens of Tilton and Northfield. The accomplishments this year include:

A. **Center Activities:** During Christmas week 1971 a fire at the Tilton Town Hall curtailed our Center activities. In February we were able to resume our activities thanks to the T-N Masonic Lodge. We were allowed to use the basement of their Lodge Building on West Main Street from February to June. The Center was open three nights weekly from 6:00-9:00 P.M., Saturday afternoons from 1:00-4:00 P.M. and every other Saturday night from 7:00-10:00 P.M. for Teen Council dances. Most of the equipment has been repaired or replaced enabling us to provide a program for the young people of the communities. Ping-pong, pool, tumbling, weight lifting, bumper pool, chess, checkers, and assorted card games were available.

The Teen Council also sponsored movies, dances, and special Holiday programs on some Saturdays.

Contests were held in the spring which concluded with a family supper, and trophies were presented to the winners.

B. **Swimming Program:** Two 4 week periods were provided during the summer months. Three 2 hour sessions were held daily Monday-Friday and included courses from beginners to junior lifesaving. Five local youngsters were employed in this program. The program was concluded with a picnic, contests were held and prizes were awarded.

C. **Playground:** For 8 weeks under the direction of the Recreation Council and Playground Co-ordinator

Mrs. Judith Farr with the help of ten local teenagers, various arts and crafts, indoor and outdoor games were provided for 3 hours in the morning daily Monday-Friday. Weekly bus trips or special events were usually held on Fridays.

D. **Neighborhood Youth Corps:** A program, designed to employ local teenagers and paid for by the Federal Government, was supervised by the Recreation Council. Eleven teenagers were approved for various jobs by the Regional Co-ordinator. The Northfield Police Department had a girl doing office work while the remainder worked on the summer playground program, at local schools, and special town service projects. We have received recognition under this program since we provide a variety of services for the community and the young people employed.

E. **Ski Program:** The Council sponsored two 5 week ski programs at the Highlands Ski Area on Saturday mornings with a bus leaving at 8:00 A.M. and returning by 10:30 A.M. from the elementary school area. Approximately fifty youngsters participated in this program. On Thursday afternoons at 3:00 P.M. lessons were provided for a group of teenagers. Transportation for the Thursday classes was provided by Mrs. Peter Clark. The Council coordinates the Ski Program thereby obtaining a low cost group rate which the participants pay for themselves.

F. **Babe Ruth Baseball:** The Council sponsored a ball team playing in the Laconia League. The boys had an opportunity to play "under the lights" against good competition; some also had the opportunity to play on the All Star Team.

G. **Special Events:**

1. Red Sox ballgame and a visit to the N. E. Aquarium

was held in late August. Two busloads of youngsters had a full day's outing.

2. Halloween party, initiated by the Tilton and Northfield Police Departments, the Selectmen, Teen Council, Recreation Council, and the Tilton-Northfield Fire Department and co-ordinated by Walter Howard was an overwhelming success. All took part on this night of spooks and goblins. A costume contest, a parade with sirens and lights, and a walk through the fun house brought an estimated 450 children to the Winnisquam Regional High School. Prizes were awarded. Beverages, apples, doughnuts, and candies were distributed to all.

   Later in the evening a live band at the High School played to a group of 350 teenagers, who also had free beverages and foodstuffs. Many thanks to the many merchants, companies, individuals, and organizations who donated funds or products to this happy occasion.

3. Christmas Party. The Teen Council played host to a group of 100 youngsters at the Northfield Town Hall. A movie was shown and refreshments were served.

"Thank you" to those individuals and groups who have helped the Council provide activities throughout the year. Special thanks go to the taxpayers of our communities whose support continues to make recreational programs available.

Since the resignation of our Recreation Director in July the activities and programs have been co-ordinated by the active Council members. We will endeavor to continue to provide recreation for the youngsters of our communities.

All interested citizens are welcome to attend our regular monthly meeting, the first Thursday of every month. We do need volunteers.

The Library's badly deteriorated front doors were replaced this year. The interior of the building was completely rewired and new light fixtures, donated by Philip Rudd, were installed. The oil burner was overhauled. A 20 gallon hot water tank, donated by Levi Gilbert, was connected and piped to the wash room.

The so-called D.A.R. Room had a face lifting with new paint, carpet, light fixture and a radiator, donated by Warren Hill. The room is now the Librarian's office. Many hours of volunteer labor helped with these projects.

The Mary Osgood Children's Room was dedicated during the year to honor Miss Osgood who retired this year after 38 years of faithful service as Hall Memorial's Librarian.

By unanimous vote of the Trustees, Milton Ben Davis, who has given the Library generous and continuing support, has been elected Honorary Trustee of Hall Memorial Library.
